Refund and cancellation policy

No refunds will be given except in the event of an accident or injury prior to the camp. A doctor's note will be required in order to receive a refund in the form of a credit note with regards to the cancellation. In that case, the participant will be issued a credit note which may be used for future programs offered by Dskate, less a \$75.00 administration fee. If the participant withdraws for any reason within 60 days of the Program, 50% will be refunded in the form of a credit note which may be used for future programs offered by Dskate.

Once the Program has commenced, there will be no deductions or partial refunds due to late arrivals or early departures. If there is a medical reason as established by a medical professional at or outside the program, during program hours that necessitate a participant must leave early, a pro-rated refund credit note will be given. Refunds will not be issued due to unforeseen events that will affect the execution of the program, namely closing of the facility due to damage to it due to superior force (weather, infrastructure problems of the facility not caused by Dskate Hockey Inc.). In the rare eventuality that any one of these situations may occur, Dskate Hockey Inc. will issue a credit note which may be used for future programs offered by Dskate Hockey Inc.
